Malayalam

Career Objective

Diploma in civil engineering with knowledge in construction design looking for entry level position in a reputed organization where I can enhance my skills, knowledge and experience

Experience

○ Jan 2023 - Present
ARC Architects & Builders | Edakkara
Interior & Exterior Designer

As an interior and exterior designer at ARC Architects & Builders, I played a pivotal role in transforming spaces into aesthetically pleasing and functional environments. With a keen eye for detail and a passion for design, I executed projects ranging from residential homes to commercial spaces.

Key Responsibilities:

- **Interior Design:** Designed interior spaces that reflected the client's personality and lifestyle while integrating elements of functionality, comfort, and visual appeal. Specified furniture, lighting, textiles, and accessories to enhance the ambiance and create cohesive design schemes.
- **Exterior Design:** Transformed outdoor spaces into inviting and cohesive extensions of the interior environment. Designed landscapes, hardscapes, and outdoor living areas that harmonized with the architectural style and enhanced curb appeal.
- **Site Measurement:** As a Site Measurer at ARC Architects & Builders, I played a role in accurately assessing and documenting site dimensions, conditions, and constraints for various construction and engineering projects.

Declaration

I hereby declare that all the information provided above is true to the best of my knowledge and understanding.
